

Leslie Helakoski wrote WOOLBUR in honor of the free-spirited children in her life who have inspired her to think differently. Leslie is also the author of THE SMUSHY BUS, a Volunteer State Book Award nominee, and BIG CHICKENS, a Junior Library Guild selection. She lives in Lawton, Michigan, with her family. You can visit her online at www.helakoskibooks.com.

Lee Harper, like Maa and Paa, worried when his own son didn't follow the flock. But while illustrating WOOLBUR, he decided to stop worrying and start celebrating his son's individuality. Lee is a painter and sculptor who exhibits at galleries nationwide. This is his first picture book. He lives in Doylestown, Pennsylvania, with his family. You can visit him online at www.leeharperart.com.

MEET
WOOLBUR.

- He rides the spinning wheel.
- And he NEVER follows the flock.
